++ Valid for broadcast between 0600 and 1800

Headline:
Dry, sunny and very warm for most.

Today:
Low cloud and mist across the north and east burning back to the coast through the morning. Otherwise a dry day with long spells of unbroken warm or very warm sunshine. Mainly light easterly winds. Maximum temperature 26 deg C (79 deg F).

Tonight:
Some late evening sunshine for most but low cloud and mist edging back into northern and eastern parts overnight. Long clear spells in west. Minimum temperature 10 deg C (50 deg F).

Sunday:
Early low cloud and mist burning back to the coast to leave another dry and largely sunny day. Warm or very warm again with light winds. Maximum temperature 25 deg C (77 deg F).

Outlook for Monday to Wednesday:
Becoming much cooler and more unsettled with showers or longer spells of rain, these heavy and perhaps thundery at times.
